### Location

Baku, Azerbaijan

### Phone Number

+994 55 410 55 26

## PROFILE SUMMARY

Detail-oriented Front-end Developer with a passion for innovation and lifelong learning. I welcome constructive feedback, excel at clear and collaborative team communication, and am committed to consistently delivering high-quality work on time.

## PROFESSIONAL EXPERIENCE

### Markup Agency

April 2024 – Present

#### Frontend Developer

- Implement scalable codebases for various project types, ranging from single-page applications (SPAs) to content management systems (CMS), using modern frameworks like React.js and Next.js.
- Collaborate closely with designers and backend developers to ensure seamless integration and optimal user experience.
- Manage multiple projects simultaneously, demonstrating strong problem-solving skills and adaptability to meet tight deadlines.

### Lacheen Co

April 2025 – June 2025

#### Freelance Full-Stack Developer

- Led the full project lifecycle—conducted user research to inform UX/UI design, built the frontend, developed the backend, and managed deployment
- Designed intuitive, responsive interfaces grounded in research insights and usability best practices
- Crafted intuitive, responsive interfaces using Figma and modern web technologies
- Implemented a scalable backend API and database schema to support dynamic content and user authentication
- Developed the frontend with React (Next.js) and Tailwind CSS, ensuring cross-browser compatibility and mobile responsiveness

### Bootcamp - Eacamp

February 2023 – January 2024

#### Frontend Development Mentor

- Mentored students in developing, and optimizing their websites
- Collaborated with a cross-functional team to build and enhance an internal education platform
- Refined teamwork and Git expertise by coordinating with multiple developers on shared projects, mastering branching strategies and pull request workflows

## EDUCATION & CERTIFICATIONS

Bachelor of Social Work	Azerbaijan State University of Economics
Bachelor of Computer Science - Minor programme	Azerbaijan State University of Economics
Modern Frontend Development	Programming School by Elshad Aghazade
Advanced React	Meta - Coursera

## PROFESSIONAL SKILLS

### Programming Languages

HTML5  
CSS3  
JavaScript  
TypeScript

### Frameworks & Libraries

React.js                      Material UI  
Next.js                      Ant Design  
Angular                      Headless UI  
Tailwind CSS

### State Management & Data Fetching

Redux Toolkit  
Server-Side rendering  
REST API  
Zustand  
React Query / SWR

### Performance & Best Practices

Lazy Loading  
Code-splitting  
SEO fundamentals (meta tags, structured data)  
Git workflows (GitHub/GitLab branching, pull requests)

### UI/UX & Design

Responsive & Adaptive Design  
Animations  
UX research & usability testing  
Working with Figma  
Design Patterns

### Other Tools & Services

Firebase  
Postman  
Vercel  
Swagger
